## **Call for Poster Proposals 8<sup>th</sup> Annual Poster Session Midwinter Conference 2019**

MSPA is taking proposals for the 8<sup>th</sup> annual poster session as part of the 2018 Midwinter Conference on January 24<sup>th</sup> and 25<sup>th</sup>, 2019. We plan to display posters in the main hallways of the conference center during the conference with half of the posters on display on Day 1 and the other half of the posters to be displayed on Day 2. Poster proposals are due on November 19<sup>th</sup>, 2018. Authors will be notified of their acceptance status via email by December 3<sup>rd</sup>, 2018.

Poster presentations will be of two types: (a) original research studies and (b) summaries of innovative practices. *Original research studies* must include descriptions of the purpose of the study, research methods, results/discussion, and implications for practice. *Summaries of innovative practices* must provide a description of the innovative practice and how it has impacted outcomes where they have been implemented. Innovative practices with clear outcomes data will be given the highest priority.

Authors will be expected to stand by their posters and answer questions during a brief poster session during the conference. The remainder of the time the posters will be displayed for conference attendees to review at their leisure. MSPA will provide poster boards and stands for visual display of content. More details will be provided upon acceptance of poster proposals.

Please complete the attached Poster Presentation Application and submit to Dr. Kevin Filter at [kevin.filter@mnsu.edu](mailto:kevin.filter@mnsu.edu). Please also direct any questions to Dr. Filter before the application deadline of November 19<sup>th</sup>.
